A reminder about PhD student travel expenses

- All students get £3K to spend over whole studentship
- Cut-off is date of viva
- There's a process....

Expenses

£3000 budget to support attendance at conferences and other research needs during PhD

Don't spend anything without asking first!

Conferences and training events:

Conference fees paid by University directly

Most travel and accommodation must be booked through Key Travel

- Get an idea of cost
- Supervisor gives academic permission by email
- DPGRS (Pure: Martin Speight; Applied: Adrian Barker; Statistics: Jan Palczewski) gives financial permission by email
- Choose travel options from Key Travel and share with Maths Reception staff (named) or ask Reception to make booking
- Tell booker your account code (ask Reception)
